

A blurred photograph of a restaurant interior. The scene is filled with warm, golden light from numerous small, round pendant lights hanging from the ceiling. In the foreground, the back of a person wearing a red and white striped shirt is visible. In the background, other diners are seated at tables, and a server in a black uniform is seen. The overall atmosphere is relaxed and inviting.

*we wanted to create a place for  
our families and friends to enjoy  
great food in a relaxed and beautiful setting*

*where children, pets and sandy  
bare feet are welcome for what  
really matters*

*our approach to service is to  
be knowledgeable and caring*

*the food is civilised without being pretentious; that  
is to say it has  
natural taste, smells and textures,  
and much character ... often it  
looks beautiful too*

*what is paramount is that  
it is prepared  
with respect, savvy and  
love ... then it  
is the right food for us to  
eat*
